

“Exploitation of microalgae diversity for the development of novel high added-value cosmeceuticals”

ALGAECOM IAPP 286354

2nd WORKSHOP

**“ENHANCING MICROALGAE PRODUCTION FOR
COSMETIC INDUSTRY. GROWING SYSTEMS,
HARVESTING AND PROCESSING.”**

EL PUERTO DE SANTA MARIA.

SEPTEMBER 9th-13th, 2013

AGENDA

Monday 9th of September (CTAQUA)	
16:00-17:00h	Registration
17:00-17:30h	Welcome and opening remarks
17:30-18:30h	Introduction to mass production of marine microalgae (FM) Mr. Carlos Unamunzaga

Tuesday 10th of September (CTAQUA/FITOPLANCTON)	
Morning session	
09:30-10:15h	Fitoplancton Marino, S.L., over 10 years enhancing microalgae production (FM) Mr. Carlos Unamunzaga
10:15-11:00h	Microalgae Scientist invited (IFAPA) Dr. Pedro Cañavate
11:00-11:30h	Coffee Break
11:30-12:15h	Molecular Biology Scientist invited (IFAPA) Dr. Manuel Manchado
12:15-13:00h	Macroalgae Scientist invited (IFAPA) Dr. Catalina Fernandez
13:00-15:00h	Lunch
Afternoon session	
15:00-15:45h	Gene expression analysis in microalgae as a molecular tool to enhance productivity of selected bioactive compounds. Applications for quality control (FM) Dr. Carlos Infante
15:45-16:30h	Microalgae Extracts and bioactive compounds Scientist invited (UCA) Dr. Eva Zubia

Wednesday 11th of September (FITOPLANCTON/CTAQUA)	
Morning session	
09:30-13:00h	Visit at Fitoplancton Marino, S.L.
13:00-15:00h	Lunch
Afternoon session	
15:00-15:45h	The complex world of carbohydrates in microalgae (FM) Dr. Flavien Dardelle
15:45-16:30h	Legislation on microalgae and quality standards (FM) Mrs. Lalia Mantecón
16:30-17:15h	Preliminary results on microalgae production for high added value cosmeceuticals (AUA)Dr. Emmanouil Fliemetakis

Thursday 12th of September (CTAQUA/FITOPLANCTON)	
Morning session. MID TERM MEETING	
09:30-11:00h	Meeting with PO and presentations
11:00-11:30h	Coffee Break
11:30-13:00h	Meeting with PO and presentations
13:00-15:00h	Lunch at Casa Flores Restaurant
Afternoon session. MID TERM MEETING	
15:00-16:00h	Meeting with PO and presentations
16:00-17:30h	Visit at Fitoplancton Marino, S.L.

Friday 13th of September (CTAQUA)	
09:30-11:00h	Round table for open discussions
11:00-11:30h	Coffee Break
11:30-13:00h	Closing remarks
13:00-15:00h	Lunch
